

Grab The Parking Future

TIMETEC PARKING MANAGEMENT SYSTEM

Parking is never a standalone activity. In today's connected world, parking operators need a parking system furnished with a digital transformation that can go beyond parking. TimeTec Cloud-based Parking Management System, with a readily wide range of next activities flow and free API for integration, instantly elevates your parking solution to an advanced parking ecosystem.

The features of TimeTec Cloud-based Parking Management System:

- CASUAL PARKING**
Comprehensive flexi parking rules and parking rates settings.
- SEASON PARKING**
Interactive application, renewal, termination process.
- MULTIPLE PARKING & PAYMENT METHODS**
TNG Card, TNG RFID, QR Code, License Plate Recognition & etc.
- MULTIPLE PARKING LOCATIONS AND SITES**
Support multi-tenants, multi-locations, multi-parking sites.
- PARKING APP**
Provide White Label service.
- PARKING GUIDANCE**
Support video and ultrasonic parking guidance system.
- PARKING BAY AVAILABILITY CHECK**
Check bay vacancy remotely via Parking App & Web
- VALET PARKING**
Cashless valet parking module with POS handheld terminal
- ENFORCEMENT MODULE**
Cashless enforcement module with POS handheld terminal
- FIND MY CAR**
Integrate with video parking guidance system to locate the car at parking site via App
- BOOK A BAY**
Pre-book a parking bay for casual parking.
- PROMO CODE**
Support multiple merchant promo codes and validation
- ANALYTICAL DASHBOARD**
Predictive & descriptive-analytic for pre-informed decisions.
- CONSOLIDATED REPORTS**
More than 20 accurate and comprehensive consolidated reports.
- ON-STREET PARKING**
Integrate with Flexi On-Street Parking System.
- E-WALLET DIRECT**
Cashless and full LPR touchless feature that direct links with Setel & TnG eWallet, achieve superb parking experience.

TIMETEC PARKING APP

EXTRA ADVANTAGES

• Digital Transformation Ready

Connected to TimeTec Digital Building Ecosystem (Time Attendance, Guard Patrol, Visitor Management, Surveillance, TimeTec Access and etc.)

• Dynamic Advertisement & Near Field Commerce Modules

TimeTec i-Ad hub & i-Merchants for a new income stream

• Plug & Play Interoperable Parking Technology

Full range and configurable parking hardware and software components available

• Real-time Parking Activities Update for Administrator

Real-time monitoring and administration

• Free API

Instantaneously upgrade any on-premise parking system to a cloud ecosystem.

• Payment Gateway Ready

iPay88 or Razerpay gateway ready for Malaysian market.

• Secured Cloud Environment

ISO 27001 certification, PDPA & GDPR compliance

• Affordable Subscription Price

Pay as you go, no contract binding.

• System Level Agreement Applied

Laying out the metrics by which that service is measured, and the remedies or penalties.

• Regular Software Update

Including AWS Cloud server hosting and maintenance.

• Built-in e-Invoice Module

Comes with e-Invoice module, links with LHDN MyInvois portal, complete with CN, DN and Refund Note.

ANALYTICAL DASHBOARD

Earning by parking sites

Earning by days/months

Earning by payment types

Peak and off-peak hours

Full range customizable reports

- **TimeTec Parking Prescriptive Analytics** recommends actions parking operators can take to benefit them with those outcomes.
- **TimeTec Parking Predictive Analytics** predicts what is most likely to happen in the future.
- **TimeTec Parking Diagnostic Analytics** helps the parking operator to understand why something happened in the past.
- **TimeTec Parking Descriptive Analytics** tells the parking operators what happened in the past.
