Fingerprint Color Time Attendance

FingerTec's TA200 Plus is an astounding hi-tech fingerprint time attendance device with an impressive design. With an exceptional storage capacity and equipped with the latest precision fingerprint scanning algorithm, the TA200 Plus gives you some amazing and convenient features such as work codes and short message display for either personal or public recipients for effective staff communication. The terminals also come with many options and methods for you to sync your terminal to the bundled TimeTec cloud for further processing of attendance data to ease report generating and payroll processes.

A Variety of Verification Methods

Although its recommended that you use fingerprint verification for more authentic records, the terminal also offers options for you to verify using a card or password, or even a combination of the two.

Supersized Capacity

Get up to 10000 fingerprint templates and 200000 transaction logs – more than enough to fulfill the requirements of an SME.

Shortcut Keys

Program these keys to take you to commonly used functions in just one step. Did we mention that we make things easy?

Short Message Display

Alert your staff by personalizing a short message to be displayed at the terminal when they verify.

Manage Attendance Data Online

TimeTec Cloud solution centralizes attendance data on a secured cloud server for easy management, monitoring and auditing. It is available online at a minimal subscription cost of USD2 per user monthly only.

Workcodes

Let your staff experience more independence by reporting their whereabouts via our workcodes feature.

Easy Terminal Syncing

With the option of TCP/IP, RS485 / RS232, USB flashdisk, or even WiFi (upon request), syncing your terminal is even easier than you think!

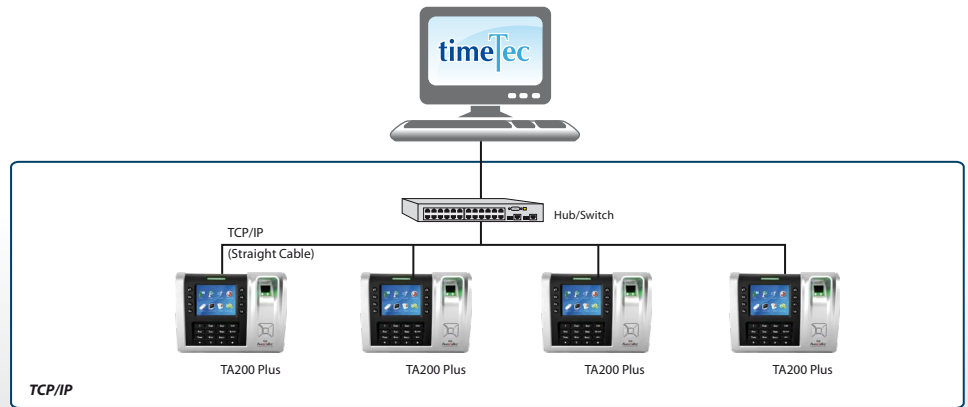

Full Colour Screen

This model comes with a full colour TFT screen. Display pictures, corporate advertisements, screen savers and much more on the colour screen of the terminals.
