Fast, Secure, and Smart Visitor Management

TimeTec VKiosk-1

Self-Service Visitor Kiosk

The TimeTec self-service visitor registration kiosk, VKiosk-1 is an easy-to-use solution equipped with the TimeTec i-Vizit app to streamline the check-in process for pre-registered or walk-in visitors in both commercial and non-commercial buildings. With a user-friendly touchscreen interface, visitors can register and verify themselves quickly upon arrival.

The trilingual TimeTec VKiosk-1 enhances security, reduces wait times, and improves visitor management efficiency. Additionally, the QR code or facial recognition can serve as a credential when integrated with access control systems and visitor logs, ensuring seamless tracking and reporting.

Streamlines Check-In Process
Reduces queues by allowing visitors to self-registering quickly.

Generates Real-Time Insights
Provides instant digital logs of visitor arrivals and departures for improved reporting and analytics.

Reduces Operational Costs
Lowers labor costs over time by automating repetitive registration tasks.

Self-verifying
Visitors self-ID scanning (ICs, Passports) with built-in OCR technology.

Enhances Branding
Allows for customized interfaces that reflect the company's brand and promote a professional, tech-forward image.

Increases Staff Efficiency
Frees up reception staff

Enhances Visitor Experience
Provides a modern, user-friendly interface for a smoother visitation and a better impression.

Strengthens Security
Can be integrated with QR code or face recognition readers for door and turnstile access control.

Improves Data Accuracy
Minimizes errors.

1 YEAR LIMITED WARRANTY
